Minutes

Minutes from the July 22, 2011, meeting were distributed and approved.

Treasurer's Report

Junie gave the treasurer's report. Total current balance as of June 1 is \$1,749.73

Library Reports

OSU CHS reported that renovations of the library have been completed and they are continuing to weed journals. More study spaces have been added.

OU-Tulsa has had two presentations accepted for MLA '13. The Library gallery is currently hosting a cultural photography exhibit created by Rodger Randle (OU-Tulsa faculty member). It explores universal human themes with examples from many cultures.

Old Business

Dohn reminded everyone that posters are still being accepted for SCC '12 in Lubbock.

Melissa is continuing to maintain and update the HeLEO website. If you have copies of minutes or reports that are not currently included on the website, please send them to Melissa.

New Business

Nomination of Officers for 2013. We need to elect a President-elect for 2013. Lou Ann will be the new President; Junie has another year as Secretary/Treasurer. April Schweikhard was suggested.

There was some discussion of the Elsevier Clinical Key electronic product proposal presented to the Oklahoma Consortium. It seems to be too expensive for most libraries to consider at the moment.

Next Meeting

Time and date of the next meeting will be announced. We are still investigating the possibility of a workshop in conjunction with the NNLM/SCR for the Fall. Both James Donovan and Scott Murray indicated that their facilities could host a meeting.

Adjournment

The meeting adjourned at 1:00 pm, and was followed by a tour of the Center for Health Sciences Forensic Sciences facilities, including the Human Identity Testing Lab and other research laboratories.

Respectfully Submitted,

Junie Janzen

Secretary
