Library Reports

OSU Center for Health Sciences has a trial of ‘Isabel,’ a differential diagnosis tool being licensed by Ebsco. The intent is for Isabel to be integrated with Dynamed, and to be available through supported EMRs. OSU is considering it as an alternate to FirstConsult, which will be discontinued.

Lynn announced that the Morningcrest Health Library had a very successful ribbon cutting and opening on March 6. There was good attendance, and the library is already seeing a steady stream of clients.

The SCC/MLA annual meeting will be held in Fort Worth, TX, October 26-30, at the Hilton Fort Worth. The 2014 meeting will be in Denver, and will be a joint meeting with four other chapters.

April asked that suggestions for a fall meeting location and time be sent to her.

None

New Business

Melissa moved that the HeLEO website be moved to a WIKI. OSHLA has done this recently, and it seems to be working out well. There should be no cost. Junie seconded, and the motion passed.

HeLEO has agreed to co-sponsor a workshop, 'The Evolving Librarian: Responding to Changes in the Workplace and in Healthcare' featuring Michelle Kraft, Senior Medical Librarian at the Cleveland Clinic. It will be held at the OU-Tulsa campus on Thursday, April 18, 8:30-4:30.

We have been asked to provide lunch for the participants (up to about 30). Junie moved that we authorize spending up to \$400 on prepared box lunches. Linda seconded, and the motion passed.
