

**Health Libraries of Eastern Oklahoma (HeLEO)
Spring Meeting – June 18, 2010
Hideaway Pizza, 81st and Harvard**

Minutes

In Attendance:

Beth Anne Freeman – Oklahoma State University – Tulsa
Dohn Martin, OSU Center for Health Sciences
James Donovan, St John Medical Center
Junie Janzen, University of Oklahoma – Tulsa
Linda London OSU Center for Health Sciences
Scott Murray, Saint Francis Health System
Toni Hoberecht, University of Oklahoma - Tulsa

Linda London treated everyone to pizza. Thank you Linda!! Linda London called the meeting to order at 3:15 p.m.

Minutes

The last meeting was just a get together to network so no minutes were taken.

Treasurer's Report

Scott gave the treasurer's report and members present accepted. Only a few institutions have paid 2010 dues. Invoices were given to those who requested them.

Old Business

No old business was discussed.

New Business

MLA '10 Reflections: Dohn told everyone about his experience at MLA in Washington DC.

Uses with money in HELEO account: Beth Anne Freeman suggested we use some of the money in the treasury to bring in a trainer for an educational training session on something.

OSHLA meeting in Fall: Junie reminded everyone that OSHLA is having a training session with NLM rep on the same day as the OSHLA Fall meeting.

SCC 10 in Austin: Beth Anne Freeman asked if anyone had any updates or news about the upcoming SCC meeting in Austin Texas. Dohn Martin said he had been in contact with some of the Austin people working with the SCC '10 exhibit but had heard no other news. No one else has heard any news concerning SCC '10 in Austin.

Odyssey Training: Junie said that OU is bringing in a trainer (with OU funds) to offer each interested institution with the set up and use of Odyssey, an ILL program. Many institutions are doing away with Ariel and some are taking up Odyssey instead. (Odyssey is free and easy to download)

OPAC Question: Scott said that he is looking at getting a new OPAC for the SFH library. He is currently using Athena which is outdated and no longer sold by that vendor and would like an updated OPAC. He asked the group for any recommendations for a simple and cheap OPAC for a small hospital library. Cybertools for Libraries and/or an open source OPAC were suggested. Others said they'd contact him later for other suggestions.

Announcements

No Announcements

Next Meeting

The next meeting will take place in November 2010. A definite date will be announced later.

Adjournment

The meeting adjourned at 4:00 p.m. and a good time was had by all.
